Mr. Glenn "Ducky" Teel
Caldwell, Kansas

Dear "Ducky":

I have just finished talking to Arnold's Market and find that they are not quite certain as to what boy they will hire. They have a young boy there named Harwood who is attending the University and if he comes back to school at the University, doubtless they will take him on. I called Hunter Bros., but Mr. Hunter will not be back until late this afternoon. Then I called Mr. Landreth and he stated that he had also received a letter from you but he had not answered it as yet but he was going to tell you when he wrote, for you to come in and see him when you get to town.

He hires several boys each year and I feel pretty certain that you will get a job at this place if you please him. He is a fine gentleman and has three wonderful children, two of whom have finished with exceptionally fine honors in the University and the third one was an outstanding student in High School. So, I believe you have good prospects there.

As I suggested, I would come up a little early so that you can be one of the first on the ground. The old adage, "The early bird catches the worm", is still true.

With best wishes to you and all of our good Caldwell friends, I am,

Sincerely,

Director of Physical Education and Recreation-
Varsity Basketball and Baseball Coach.
