Dear Phog:

Kenneth Winters will be home  
Tuesday, August 20th.

His father called me this morning  
and said his credits had been sent to the University  
of Kansas and have been accepted and that he is planning  
on entering Kansas University this fall.

However, two other schools are after  
him and it might pay you to talk to him before  
September 1st.

I will try and get in touch with you  
next week so be prepared to come down and meet Kenneth.

Fraternally yours,

*Ray Blacker*
