

team, the Attica All-Stars. We were in a league with such towns as Kingman, Anthony, Wellington, Harper, Argonia, and Bluff City. We won the league the first year, co-champs the second year, and second this year. As a regular forward, I have had a 10 point average with this team. I am 5' 10 1/2" tall, weigh 156 stripped. Both teams I have played with have been whole team players and not individual stars.

If you can see fit to help me get work that will allow me to come out for freshman basketball, I shall greatly appreciate it; and I'll be looking forward to meeting you in September.

Yours,
