Dear Mr. Allen:

Was glad to receive your letter saying you had gotten a letter from my high school coach, Johnnie Corrigan, and saying you would be glad to help me financially.

I think I will have enough money to take care of all my expenses except my room and board. A friend of mine and I are planning to room together if I can enroll at K.U. My room and board will be \$23 a month.

If you will help me earn the \$23 send me a card to that effect and tell me what date I should be there.

Sincerely,

*Bruce Holman*
