

If you are interested drop him a line, and
I think he would arrange to come down and see
you. I realize that you are a pretty good judge
of young men from their appearance. So you may
judge for yourself. He does not expect the
Athletic Union to carry him around all the time
is some work.

Yours truly

George J. Kampert.

P.S.

I would have written to Mr. Henry but felt as
if I knew you better.
