Mr. Johnnie Corrigan,  
Powhattan, Kansas.

Dear Johnnie:

It was swell of you to write me regarding Bruce Holman. Your recommendation means much to me, and I assure you that I have read no letter that I have enjoyed as much recently as I have your epistle. I will be very happy to help Bruce in every way that I can, and the fact that he has been under you causes me to believe that you have done much for him educationally and athletically.

Thanks for your fine tribute. I assure you my affection is reciprocal.

Wishing for you and yours the best in health, wealth and longevity, I am

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
