Mr. Darron Schneider,  
St. Francis, Kansas.

Dear Darron:

Don Boardman was in my office the other day telling me that you are interested in the University of Kansas. If it is possible for you to come to Kansas Relays on Saturday of this week we would be very happy to have you drop in the office for a little visit.

I realize, of course, that St. Francis is quite a long distance from Lawrence, and if it would be more convenient for you to come some other week-end we would be happy to see you. I understand you are a very fine student.

In previous years, on the Saturday morning of the Relays, we have always invited a number of outstanding high school boys who plan to visit the Relays, to come down and shoot some baskets along with the varsity group in the gymnasium. If you do find it possible to come this week-end we would be very happy to have you join the group and indulge in an hour's relaxation and fun, have a good workout, take a shower bath and see the Kansas Relays in the afternoon.

I should be happy to hear from you.

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
