

to receive ~~an~~ education.

Hoping to hear from you
and SOON
again, I remain,

Sincerely yours

Bob Albrows

P.S. I am dropping the university
a line requesting the necessary
bulletins, just in case
your request has been
disregarded.

Could you tell me when the
Kansas begins its fall term? And
when I should send my high
school credits to the University.

I know this letter writing
is no enjoyment for you so
I'll ask you if you're going
to be at the school all summer
in case I have to contact you?

After all the trouble I
have put you to, all I can
say is that I'll try to my very
utmost to not to disappoint
you.

I wish again to thank you
very, very much as I am really
grateful for this opportunity.
