Mr. Marshall Hulett,
Platt City, Missouri.

Dear Marshall:

I am very sorry that I didn't get to see you and your mother when you called at my office yesterday.

Yes, Marshall, you may count on a job here next year. The work we will have for you will be two hours a day and all day Saturday at 35¢ an hour, which will amount to approximately \$20.00 a month. We expect a boy to be prompt, punctual and courteous, and if he has those requirements there is no chance of him losing the job. You can count on it.

I do not want you to think that it is only because you are an athlete that you are getting this job. We have many boys here who are partially self-supporting, but we do not favor the athletes over the other boys.

I am very sorry that I didn't get to meet your mother, but I trust that I may have the privilege some time in the future. We have had six children in our family, and I know some of the problems.

Looking forward to seeing you in the fall, and with best wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
