

June 22, 1940.

Mr. Bill Milliken,
308 So. Elm Street,
Eureka, Kansas.

Dear Bill:

I am sorry that I let my rush of correspondence overcome me to the point that I was not able to answer your letter of the 15th instant sooner.

Of course, this letter will not be received by you in time to give you any information regarding your coming to Lawrence on Sunday, June 23, but I want you to know that I will be happy to see you, although Sunday is the worst day that anyone could choose for such a mission. We work six days a week and we endeavor to get away from this type of work on Sunday. I like to play a little golf and get some recreation and spend the day with the family.

However, if you do find it impossible to come on any day except Sunday, I will be glad to see you. It will be a pleasure to talk with you.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
