Dr. F. C. Allen

Kansas U.

Lawrence

Dear Mr. Allen:

I received your reply to my letter and was very happy to get it. In regard to your questions I will answer them to the best of my knowledge and hope they will be to your satisfaction.

In order to tell you why I pick Kansas over schools in my vicinity I must first tell you of my educational quests. I am thoroughly interested in teaching and coaching. First of all I would very much like to teach biology or zoology in a secondary school along with
