Mr. William Brill,
1603 Garfield,
Kansas City, Kansas.

Dear Bill:

You played a swell game at Topeka, and I am sorry that I was not able to be there to see you. You deserve a lot of credit, and you have had a wonderful season this year. I have watched you play and I thought your floor work and general ability were marvelous. You and your teammates have certainly mowed them down, and I am sorry that the "sudden death" method cut you short on your natural heritage.

With all good wishes, and hoping that you will attend the University of Kansas, I am

Sincerely yours,
