Mrs. Lloyd Tucker, Sr.,  
Winfield, Kansas.

Dear Mrs. Tucker:

With examinations and the commencement rush on I have failed to speak to Dean Swarthout sooner asking that he send you information on the School of Fine Arts of the University of Kansas. Today I have asked Dean Swarthout to do this.

I have had some difficulty in making arrangements regarding the matter that I spoke to you about. To date I have not been able to accomplish this thing, and it is for that reason that I have not written you sooner. I desire to bring no undue pressure on anyone, nor do I care to mis-represent the situation one iota. Of course, if we could better Gerald's opportunities we would be happy to do so.

I am wondering if you could write me and tell me if Gerald and you have made a definite decision to attend any particular school. I have no desire to know the name of the school, but I thought if you were both still open-minded in the matter we would be happy to have you still consider the University of Kansas and its possibilities.

With all good wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
