

High School Basketball (Cont.)

JACK WEDDLE, Winfield- One of the two best guards at the tournament. Slightly over 6 feet tall and weighs about 165 pounds. Another junior. An all-Ark Valley guard this year. Leading scorer among guards in the Ark Valley this season. A good one hand shot and a boy who drives hard for the basket. His play is characterized by lots of energy and fight, directed in the right channels. Seldom makes unnecessary fouls. A beautiful rebounder, he and Tucker got almost every rebound. On defense, he is a tenacious guard, with remarkable reflexes. A fine ball player.

DALE COVERT, Eldorado- The other outstanding guard in the tournament. Did a beautiful job of guarding Tucker in the game for the championship and is the only man who has held Tucker down all season. Guarded him three times. Is 6'4" tall and weighs about 185 pounds. Plays tackle on the football team and looks about like Fred Bosilevac did when he was in high school as far as build goes. Very good at guarding post men. Not an especially hot ball handler. Plays outside on offense part of the time and also plays post part of the time. About as much a center as a guard. A good man on recovery shots under the basket. An all-Ark Valley guard. A Junior.

DICK NOLAN, Ward- One of the few good men who graduate this year. Made the two all-state teams. Plays the post beautifully for a man who isn't any bigger than he is. Slightly over 6 feet tall and weighs about 155 pounds. The only returning regular from last year's championship team. Can make practically any shot off the post. Dribbled around the Lawrence guards till they went crazy. Against tight defenses, he whipped the ball back out as fast as he got it to give his guards good set shots. Plays the post very smart. Had very good feeders and took advantage of it. Is a good clutch player.
