Dear Sir:

I am positive you are very busy, but if you will pardon me, I will be very brief-

I have a boy here 6'6" who is the best basket-ball player in this section. He is a senior and wants to go to college, but does not have the money to go on. He is a good base ball player and has done some high jumping. Mr. Allen if you or any of your men are down this way I believe it would be worth your while to look "Douglas Condit", that is the boy's name up. Just check on him. He has averaged 12 $\frac{5}{2}$ points per game up to date. He is one of the best defensive men I have seen in three years. We have been playing a zone defense most of the time my high school coach was one of your boys, Harold Baker-

Sincerely yours,
L. L. Gaylor
