Dr. J. C. Allen  
Dept. of Physical Ed.  
Kansas University.

Dear Dr. Allen.

I write you this letter asking about entering school next fall. I am deeply interested in K.U. because of the fine Medical Course that is there and because of your fine reputation as a basketball coach.

I attended Paseo High School here in the City. I played football, basketball, baseball and did some track work. But primarily I am mainly interested in basketball. I played regular ball with the 2nd team my sophomore year and my Junior Year stepped up and we won the League Championship. We lost to St. Louis in an inter-city
