

till after three overtime periods.

This year our football team finished second and I received an all-star rating from both the Star and Journal papers. Our basketball team came through to the end of the league schedule undefeated to gain our second straight championship in a row. We journeyed to St. Louis where we defeated the St. Louis Champions in a very exciting game. I also received an all-star rating in basketball from both papers as a forward.

I am President of the Senior Class and Student Council and received the Bernard Shiners Trophy in basketball.

I have been to N. C. several times in the past month but have thought it better to write to you, wondering if you could find some kind of
