

August 7, 1939.

Mr. John Kline,
104 West 17th St.,
Hutchinson, Kansas.

Dear Johnny:

I am enclosing copy of a letter that I have written to Freddy Mendell, sports editor of the Hutchinson News-Herald. I presume that you have been the one who has been talking to Sollenberger. If the boy really wants to come to K. U. for his engineering course we will be glad to help him in every way we can.

I am sure that you, being a K. U. man, won't let the Aggies steal a boy from Hutchinson Junior College, the team of Hutchinson, or the Kansas basketball squad.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
