Dr. Forrest C. Allen  
Director Physical Education  
Kansas Univ. Lawrence, Kans.

Dear Dr. Allen:

I am sorry to tell you that to date I have been unable to get any kind of definite reaction from Jimmie Weir. He is very undecided what to do or where to go & unfortunately, his family are unable to help him.

I feel I am going to get him to go to K.U. for a week end & if I don't <sup>you</sup> get Bill Timothy, a pre-law student at K.U. from Green River, to help you entertain him & make him feel at home.

This boy must go to college & I am doing what I can to see that he does.

Sincerely yours,

Richard C. Stratton
