

March 18, 1939.

Mr. James Weir,  
Green River, Wyoming.

Dear James:

I am on the National Collegiate Basketball Committee and I will be in San Francisco on Monday and Tuesday, March 20 and 21 for the national play-off.

William Timothy tells me that you are interested in the University of Kansas, and I assure you that I am very happy to hear that you are.

I am leaving San Francisco on the Union Pacific at 8:20 a.m. Wednesday morning, March 22, and if my time table is correct I will go through Green River at 12:47 noon Thursday, and we are to stop there 10 minutes. I would be mighty happy if you could be at the train so that I could say hello to you.

William Timothy thought perhaps you would be in Denver at the national A.A.U. games. I am leaving tonight (Friday) and will have a five-hour lay over in Denver, but I doubt if I will get a chance to see you there. He thought you might be with Steve Hokoff. I knew Steve when he played with Nebraska and he is a fine fellow.

If you should get this letter in time you might wire me at the Whitecomb Hotel, San Francisco.

I understand that your father is a conductor on the Union Pacific. That should make your transportation problem an easy one should you attend the University of Kansas. I know that you would very much like the boys here and the University environment. Doubtless you will get a letter from William Timothy, as I have asked him to write you and tell you that I am very anxious to make your acquaintance. Trusting that I may have the pleasure of meeting you either in Denver or Green River, I am

Very cordially yours,

Director of Physical Education,  
Varsity Basketball Coach.
