Mr. Oliver Rutter,
Genda Springs, Kansas.

Dear Oliver:

The other evening when I rode to Ottawa with Dr. Glenn Cunningham to attend a Father-Son banquet there he told me that Mr. Swinehart had said that you were interested in the University of Kansas. Mr. Swinehart also told him that you were interested in basketball.

I want you to know that we are especially interested in Kansas boys who have a fine academic rating and who also possess the qualifications of being a leader and a real athlete. If there is anything that we can do for you it will be a pleasure to hear from you, and from Mr. Swinehart, too. I have asked the Registrar's office to send you a catalog of the University of Kansas.

Assuring you of our desire to help you, and with best wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
