

CHAS. E. HAWKES

Superintendent

OBERLIN, KANSAS

Dear Dr. Allen:

I have written my nephew Reid Anderson now at Washburn to drive down and see you as soon as possible, or before school is out.

Dr. Allen, I would like very much to see this boy under you as I feel he has the natural ability to make a good college team.

Reid must change to an engineering school this year, and if you have too many good boys with jobs and cannot use him please tell me immediately.

Mrs. Anderson graduated from Colo. U. so I believe we can help him go there as second choice of course to Kansas Univ. and your coaching.

Please help Reid if you can use a real clean boy.

Sincerely
Russell Dutch Anderson
