Major Paul A. Cannady,  
Personnel Director, O.C.S. Co.,  
Coffeyville, Kansas.

Dear Major Cannady:

It is a pleasure to hear from you and I assure you that I will be very happy to help Carl Herring in any way that I can.

By the way, Mr. John Iapham, an old acquaintance of mine back in 1907, dropped in the office yesterday and we had quite a visit. He is the father-in-law of R. W. Myers, the gentleman that you speak of as a part-time instructor at the University. I will have a talk with Bob Myers and see if we can't do something to help Carl Herring. You can count on my doing everything possible to enable Carl to continue his work at the University.

I am leaving for New York Friday to attend the National Basketball Rules meeting, and upon my return I will be very happy to call Mr. Myers in and have a conference with him to see if we can't do something for Carl.

I have some fine visits with Maurice occasionally, all of which I enjoy very much. He is doing a fine job here in the Junior High School. I am sure that you will be very glad to know this.

With all good wishes to you, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
