Dr. F. C. Allen
Director of Physical Education
University of Kansas
Lawrence, Kansas

Dear Doctor:

I want to thank you for your letter of April 27,
regarding the young man, Carl Herring.

I surely was very happy to learn that you see
Maurice occasionally, and that you feel he is
getting along so well. Maurice appreciates all
that you have done for him.

Thanking you for all past favors and help, I am.

Sincerely yours,

Paul A. Cannady
