

June 2, 1939

Dear Sir,

I was very happy to hear from you and your interest in me.

I am very much interested in attending the University and I am planning strongly on attending next fall.

Perhaps Harold told you that I must have a job while attending school as my parents are not financially able to send me, unless I help myself in some way.

I ~~intend~~ intend to spend the summer vacation working to earn enough money to start out + to buy
