

2--Forrest C. Allen

I don't know just how much use you have for a two year J.C. man but I would be glad to hear from you about the matter. If it were possible for me to work enough I would be interested in going to K.U. three years because I don't believe I can get in all the Accounting that I want and work during two years..

Hoping to hear from you soon and with best wishes, I am

Sincerely,

Bill Cates Jr.
