Athletic Department, University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

I understand that the Pan-Hellenic Council has asked that each fraternity feed one athlete for a school year. I have asked the Phi Delts, through John Crary, to take care of Victor Ebaugh. I have been told that before a boy can be so fed, his name must appear on the list of names submitted by the Athletic Office. If you are desirous of having him on this list, will you please see Gwinn Henry and ask that his name be given to the Phi Delts?

Victor Ebaugh is taking quite an interest and is desirous of attending K. U. Anything that you can do to help him will certainly be appreciated by me. I feel justified in recommending him because I know that he is capable of making excellent grades, and will make you an excellent basketball player.

May I hear from you as soon as possible, as I am leaving for summer school, and may attend a school in Colorado.

Sincerely yours,

"Dutch" Uhrlaub
