Mr. F.W. Allen

Lawrence, Kansas

Dear Sir:

I am graduating from high school this spring and would like to go to college, but my folks are financially unable to send me. I have played three years of basketball in high school here. I am writing on the recommendation of Prof. R. W. Potwin and R.R. Uhrlaub, both of the McPherson School System.

Will you please send me your catalog so that I may choose a course, thanks.

Sincerely yours,
