Kansas University
Lawrence Kansas
Dear Sir;

I am enclosing a picture of our State Champion High School Team.

These boys are as fine a bunch of boys as I ever met. They do not smoke even when not in training. They havnt ever touched Alcoholic drinks. They are A. And B. standing in school.

Three of these boys are seniors and are planning on schooling at some College. I believe I can be safe in saying are capable of Big Six Ball.

I am particula y interested in Bozeman as he has worked for me his four years in High School. He is 6 foot 4 inches tall. Second in the league in schoring. Third in tournment play at the state. He has been the floor leader on this team and is credite as the best defence man. All in all he would make you a fine man.

I wish you would help me in some way in making him K, U, minded. England the Schring sensation at the tournment is a junior, but will follow Bozeman where ever he goes. Bozeman will need work. England will be able to help him self.

Respectfully,

L. R. Buell

NICKERSON—Splendid Schools...Low Taxes. Low Utility Rates... A FRIENDLY community in the heart of the Kansas Wheat Belt and Oil development. KANSAS raises the best wheat in the world—Reno County raises the best wheat in Kansas.
