

September 8, 1939.

Mr. Mel Kreaner,
Marysville, Kansas.

Dear Mel:

I have just written Allan Artman telling him that as soon as he comes to town he can report to the office and we will give him a job. He states that he will not be able to get away before the 15th.

It will be a pleasure for me to counsel with Allan on all things that he feels he should discuss with me. Yes, you can tell him that he will be always welcome to drop in my office at any time that he is in any need of help.

It does seem like it has been less than fifteen years since you first climbed this hill and started to school. Gee, time flies, doesn't it? I would like to play a game of golf with you this afternoon or any afternoon that you come to Lawrence. If I was over at Marysville I would get hold of you and Mr. Schmidt and some of your good northern Kansans and we would dig plenty of divots out a little ways from Marysville.

With all good wishes to you, Mel, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
