

September 5, 1939.

Mr. Harold Wright,
Dwight, Kansas.

Dear Harold:

Yes, indeed, I am sure that we can help you with a job, and I have written Principal Martin today that you may count on this. He tells me that you have assurance of \$18.00 a month on the N.Y.A., and we will be very happy to help you with an additional job.

When you come to Lawrence come to my office and we will talk over your situation. I think at that time we can make the necessary arrangements for a room. Let me know when you are coming, as I will be very happy to talk with you.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
