

Mr. Miller informed me that if you wanted to come under the conditions that he outlined to you he was sure he could make arrangements for you to obtain the job he discussed with you. I would suggest, however, that you write Mr. George Miller, owner of the Eldridge Pharmacy, and make formal application for this job. I have every confidence that you will get it if you come up to the high expectations outlined by Coach Jessup in his letter to me as of June 15th.

It was good to see you and I want to assure you that if you are never able to go out for the Kansas varsity that I will be interested in helping you help yourself obtain an education at the University of Kansas. But I believe you can do all these things, and win a varsity letter if you have the courage, perseverance and the will to do.

With all good wishes, I am

Very sincerely yours,
