With every good wish, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach

FCA:lg

P.S. As a strong desire to serve you I just called the Anderson
Photographic Bureau, the man who made the likeness of Dr. Naismith,
the gloss of which I sent you, hoping that we could get action pictures
from him. He does not take action pictures so we will still have
to rely on the films, if you desire.
