MATERIAL FOR THE 1939-40 BASKETBALL GUIDE.

ack'd

The publishers of the Basketball Guide have promised a much earlier issuance date if we will supply them with all reviews and photographs not later than May 1. To make this possible, it will be necessary to begin to gather this material immediately. It is easier to obtain records and photographs now than later, and reviews written as soon as the season ends are likely to be more accurate and more interesting than will be the case after the facts become "cold".

All of those who are kind enough to provide this material for the Guide are hereby urged to make every effort to have it in our hands by May 1. You may be sure that your cooperation will be appreciated. Send your material to the undersigned as soon as it is ready.

Oswald Tower,

for the National Basketball Committee.

April 1, 1939.

Dear Phog:

Are the contributors who supplied reviews from your district acceptable to you this year? If you wish them to submit their material to you, will you notify them to that effect? In the absence of instructions from you, I shall assume that you consent to use of this material as it comes.

Sincerely yours,

Oswald Tower.
