Mr. Forrest C. Allen,
University of Kansas,
Lawrence, Kansas.

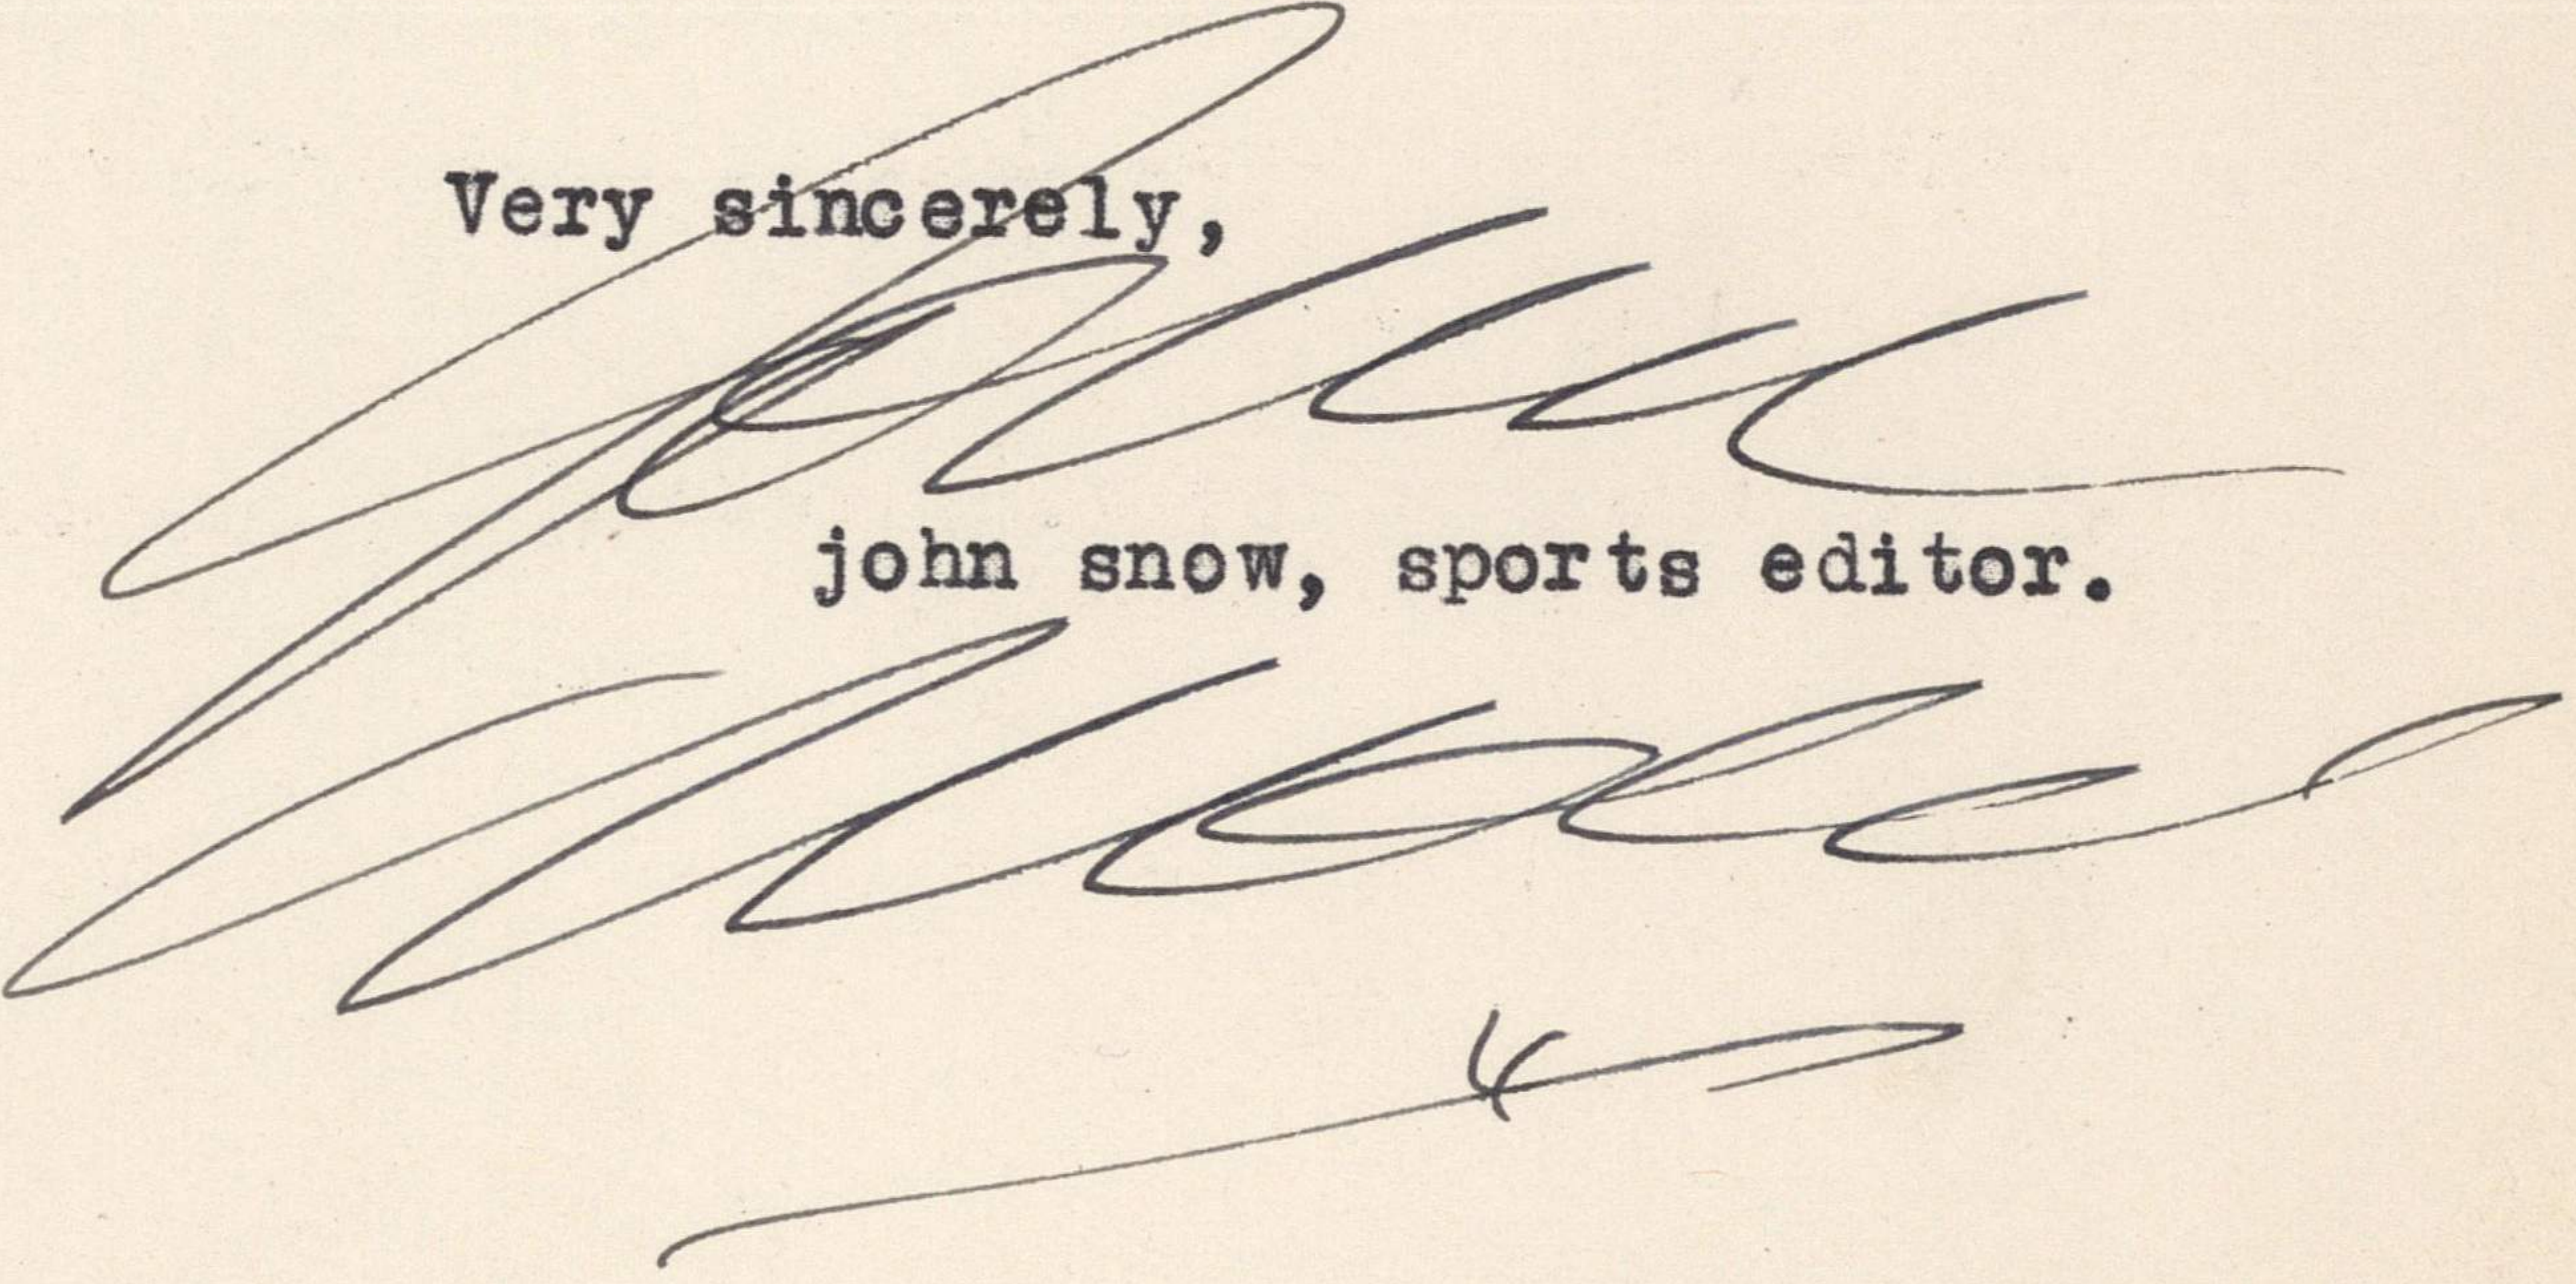

Dear Mr. Allen,

A thousand apologies for the delay in sending this basketball information to you. I've been waiting for Andy McDonald to look up some individual scoring statistics, which he never did find, and also trying to get the Springfield ball club on the road so I could find a breathing spell.

I hope this is about what you want. Frankly, the request caught me by surprise and I had to do some research work. Next year I'll be ready for it when the time comes.

If I have left out any essentials, let me know and I'll try to provide them. I doubt, however, if we'll be able to get the individual scorers now, since they seem to have been lost somewhere.

Very sincerely,

john snow, sports editor.
