Mr. Artie Eilers,  
Washington University,  
St. Louis, Missouri.

Dear Artie:

I am sending you a couple of our newsletters regarding our basketball clinic. I was not sure of you at the time so we did not add your name to the set up, but we would be more than delighted to have you with us and tell about your proposal for officiating. I think this would be especially interesting to the coaches.

We play Warrensburg here so of course we thought it would be better to have the clinic in Lawrence. It is for the Kansas and Missouri schools that desire to avail themselves of the opportunity. We would certainly be glad to have all the coaches here from the Missouri Valley Conference who can attend.

I believe we are going to have an interesting session. After looking the thing over I would be glad to have you advise me of any suggestions for betterment. Thank you for writing your coaches. We will count on your contributing to the afternoon's instruction. I will write you definitely as to the time a little later on.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.

P.S. I am glad that you like our new governor. Washington University has turned out some very able lawyers and physicians, as well as other salubrities and celebrities.
