Coach Lawrence Servais,
Lafontaine, Kansas.

Dear Coach Servais:

We are very glad that you and your group are planning to attend our basketball clinic on Saturday. We are expecting a great crowd, and feel that we have a very worthwhile program planned for the coaches and players assembled.

You and your colleagues and your basketball squad are invited to attend the game following the clinic as guests of the K. U. Athletic Association. No reservations are necessary for either the clinic or the game. If you will call at the Athletic Office some time Saturday and identify yourself as one of the high school coaches attending the clinic, you will be able to secure as many tickets of admission to the game as you need for your group. There is no charge for this.

Looking forward to greeting you on Saturday, I
am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
