

November 26, 1938.

Principal John W. Gates,  
Lincoln School,  
Topeka, Kansas.

Dear Mr. Gates:

This will acknowledge receipt of your good letter of the 17th instant. I am sending you a K. U. Newsletter announcing the clinic exhibition on Saturday, December 3, at 2:30 p.m., and the game that night with the Warrensburg Teachers at 7:30.

Mr. Gwinn Henry, our Athletic Director, is out of town at the present time, but I am very sure that Mr. Henry would be very reasonable in any charge that might be made for those boys. I feel safe in saying that if you want to come down Tuesday night, the 29th, or Saturday, December 3, I am sure that he will make a price as low as ten cents a piece for the boys. There is no charge for the clinic demonstration in the afternoon.

If you decide to come please let me know at once and I will take the matter up with Mr. Henry on his return. I feel safe in saying, however, that Mr. Henry will make a price of ten cents per boy.

We have always arranged our special feature for between halves ahead of time, and have already made some plans for the games on the 29th and the 3rd. If you would tell me what you had in mind regarding a special feature demonstration it might be that we could arrange to call ours off. I shall be glad to hear from you.

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
