

November 3, 1938.

Mr. E. C. Quigley,
St. Marys, Kansas.

Dear Ernie:

I just noticed by the paper that tough luck has put an additional burden upon you by your enforced retreat of two weeks with bronchial pneumonia. However, I am glad to know that you are able to be up and at 'em again. Gee, old man trouble really took you for a ride this fall, did he not?

Mrs. Allen wishes to express her sympathy, but at the breakfast table she said abso, "Tell him that I wish to congratulate him on his getting well". So you see that I have done my duty by expressing Mrs. Allen's best wishes to you and Mrs. Quigley.

Now, for a re-confirmation of dates. As I understand it, we have you on December 3, and by the way, you did not answer my letter of October 14 regarding your attendance at the clinic. We would like you to make a short and peppy address on "Running the Ball Game". Not only do we know that you can run the ball game well, but you can also put the necessary fire and tobasco sauce in a talk of this kind.

Tom Scott will use his Warrensburg team to demonstrate fundamentals, and I will use the Kansas team. This is in the afternoon from 2:30 until 5:30. We will have a movie talkie and a silent film on fundamentals for the group, also. We have invited all the coaches of the high schools and the colleges in this sector as our guests. We won't have much money that evening, but I do think we will have a real crowd.

Here's hoping you are well and happy, and that we will hear from you soon.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
