Dr. F. C. Allen,
University of Kans.

Dear Sir,

I should like to express to you the gratitude of myself and of the boys on my Jr. Hi. Basket ball team who were your guests last Saturday afternoon and evening.

These boys are from one of the less prosperous districts of Copeka and it was indeed a wonderful experience for them, some of whom had never even been in Lawrence before. So that besides being instructive it was also very inspirational to them. They feel now that they are in the "know" as regards
