Dear Doctor Naismith:

I am sending you a copy of our Clinic Program for Saturday afternoon. We are definitely counting on you to take some part in the program - speaking on any phase of basketball that you may choose.

While some of the newspaper stories may not have carried the announcement that you were to be included in our program, this morning's Kansan did include your name with those of our other speakers. Our program would not be complete without you.

We are expecting a great crowd of high school coaches and players, and I believe that we have a very worthwhile program arranged for them.

Looking forward to seeing you tomorrow afternoon at Hoch Auditorium, and with best wishes, I am

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
