Mr. Frank Bangs,
107 W. Prescott Ave.,
Salina, Kansas.

Dear Frank:

Thank you for your kind letter of November 29. The films came this morning, and I want to thank you for staying right on the job for us. We were counting very definitely on this film as a part of our program for our clinic on Saturday afternoon.

One reason I was so insistent in having the films here for our program is because the summer they were made I came back to Kansas City from my summer vacation in Culver, Indiana, without any compensation and spent much time in shooting these pictures. None of the coaches received any compensation for the time and work they spent.

You are the only one now who knows the whole situation, and I was sure that you could get the films for me to use.

With appreciation of your very fine cooperation, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
