Dear "Phog";

The two reels of BASKETBALL were shipped to you direct by Films Inc. from the Chicago exchange today by express. They should be in your possession by Friday at the latest.

Bob Russell let us down on this, much to my surprise. In fact up to date, I have had no acknowledgement from him in response to my letter. I learned only last week that he has been checked out of the picture entirely so wired the New York office at once of the situation.

Today, I received a wire that the films would be sent from Chicago at once. No rental charge. As a matter of policy, Phog, it might be well to send a letter of appreciation to Mr. Eric Haight, Pres. Films Inc. 330 West 42nd. St. New York City, at the time the films are returned.

If you wish, I will have our eastern Kansas. representative Mr. Max Woodworth, 515 Stanton St. Shawnee, Kansas. project the films for you. He lives on the outskirts of Kansas City and it will be but little trouble for him. I am writing him tonight to get in touch with you.

I hope your meeting in all respects, is as successful as usual.

Cordially yours,

Frank Bangs
