LAWRENCE, Kan., Jan. .---Running their own string of consecutive victories at home to 23 and knocking Iowa State out of the ranks of the undefeated teams will be the aim of the Kansas Jayhawks Monday night.

It will be the first Big Six game of the season for the Iowa State Cyclones who reared through eight non-conference games without a defeat. The Jayhawks dropped their initial conference tilt, bowing by a score of 42-31 to Oklahoma at Norman.

Offenses of the two teams will present a great contrast. While Iowa State is a well-rounded team, with all five of the men good scorers, the Jayhawks will depend mainly on the efforts of one man, Howard Engleman.

The blond Kansas ace led the field by a wide margin in the scoring in non-conference games, averaging 17.4 points in a game compared with an average of 10.2 for the man in second place. Engleman also leads the scoring in Big Six games, having chalked up 15 points against Oklahoma.

Only other K. U. man with an average of more than 5 points a game in non-conference contests is Bob Allen, senior center. Bob had a 9.4 average. On the other hand, all five of the Cyclone first stringers boast averages of better than five points a game.

High man for Iowa State is Gordon Nicholas, husky center, with a mark of 8.9 points a game. Other averages are 6.6 for Carol Schneider 6 foot 6 inch guard, 6.0 for Al Budolfson, forward, 5.9 for Dale DeKoster, guard, and 5.4 for Fred Gordon, forward.

With four of the Jayhawk starting berths fairly well set, a big scramble is going on for the fifth. Battling it out for the forward berth are Bill Hogben, John Buescher, Norman Sanneman and Vance Hall. Hogben is a senior, while the other three are new men.

Hall's bid for first string consideration was a scoring burst of 22 points in a recent scrimmage. However he is not as polished a player as the other three men. Buescher seems to be the leading contender for the spot at present.
