Gentlemen:

The following matters were agreed upon in our recent meeting in Kansas City:

(1) Two seats are to be reserved for basketball scouting. The home coach is to be notified in advance if scouting seats are wanted.

(2) The following basketballs are to be used: Kansas State - George Reach - molded; Missouri - Riddell - molded; Nebraska - Rawlings and Spaulding - molded; Oklahoma - Rawlings Last-Bilt; Iowa State - Rawlings - molded; Kansas - Spaulding - laceless stitched (it was also agreed that two good basketballs of the type used by the home team should be available for the visiting team).

(3) The starting time of the games: Kansas State - 7:30; Missouri - 8:00; Nebraska - 8:00; Iowa State - 7:15.- During the week 7:30 Friday or Saturday; Kansas - 7:30.

(4) It was felt by the coaches that \$25.00 was an appropriate sum to give to the Naismith Fund if we care to take part in this undertaking.

(5) It was decided that we would have a table with a sign marked "Officials" which was to designate the official scoring and timing table.

(6) Will you kindly submit to me your ideas on how we should go about making out our schedules in the future. I will compile these suggestions and send them on to you.

**RULES INTERPRETATION AND CONDUCT OF THE GAME:**

(1) In an effort to reduce booing we are to encourage our players to raise their arms if there is an outburst of booing.

(2) When a player is fouled he is to turn his back to the scorer's table so that his number can be clearly seen by the scorer.
