Dr. F. C. Allen
Basketball Coach
University of Kansas
Lawrence, Kansas

Dear Doc:

I took the matter up with Veenk relative to competing against Service teams. He said that you are permitted to compete your freshman or your varsity against these Service teams and this does not count as competition against your varsity, or number of games played. However, this does not apply to either police teams or other teams. In other words, it is a gesture on the part of the Big 6 Conference to help in the matter of morale among the Service teams.

With best wishes, and sorry that we did not get together for lunch, I remain,

Very truly yours,

Louis Menze
Basketball Coach
