Mr. Gwinn Henry  
Director of Athletics  
University of Kansas  
Lawrence, Kansas

Dear Gwinn:

I am submitting to you for your approval the basketball schedule as tentatively arranged by me. I believe the Big-Six Conference schedule has been approved.

We have had great difficulty in scheduling the games with Oklahoma A. and M. because after we had them scheduled here at Lawrence, Mr. Raymond Nichols, the Chancellor's Executive Secretary, stated that there was a lecture course that evening and we could not use the auditorium. That forced us in a position of scheduling the Oklahoma A. and M. game after the season is closed, on March 11, to be played here at Lawrence. We are playing Oklahoma A. and M. at Stillwater on February 17.

The games with Fordham, Temple and Loyola have been approved. That leaves but the one game with Wichita University that is not approved, which we scheduled between semesters on February 4.

I might state that our guarantee of receipts from Stillwater last year was a few dollars in excess of \$1000, so the Oklahoma A. and M. game, so far as we are concerned, is a money maker for us, while we give them \$400 with an option, but the guarantee is always taken because our income is less than the \$400. Consequently, we made \$600 net off of the A. and M. game.

Wichita University has been angling for a game and while at Wichita I agreed with Mr. Gebbart and his Athletic Board to play the Wichita University on February 4. They insist that we play a double header; the varsity playing the Wichita University varsity, and our B team playing their freshmen. They are to give us a \$300 guarantee with an option of 50%. My estimate is that our income will be between \$600 and \$800 because the Wichita boosters are getting behind this game, and as the game is to be played in the Forum, their home court, we should have a great crowd. They insist that we play a double header for the \$300 guarantee and since B games are legalized in the Big-Six, and since we have played B games, I believe it would be a fine thing. Especially since Kansas did well in the Big-Six playoff, and too, it will give us an opportunity to develop some boys who do not get to play on the regular varsity team.

I would like to have permission to play a short B team schedule from you and the Athletic Board. Basketball made quite a sizeable sum of money last year and since we cannot play any outside games here at home for profit, I have constantly followed the lucrative scheme of playing away from home and placing a guarantee that will net financial return. I believe I am not selfish in asking this permission since Kansas basketball has always made money and since we scheduled games to make money. For that reason I would appreciate this permission.

Very cordially yours,

Director of Physical Education and Recreation  
Varsity Basketball Coach

Dear Bruce:

I notice that our game at Lawrence is scheduled for Saturday night, March 8th. Saturday night is not a good night for a game on account of the business firms, as well as the dances that are held then. Friday night is much better.

I wonder if you would be willing to play us on March 7th.

You will notice that we are playing at Norman on Wednesday, January 8th. Of course that takes us away from school one day, but we are glad to play that early in the week.

I will greatly appreciate it if you can change to March 7th. Will you advise me at your earliest convenience?

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.

Dear Mr. Parker:

Mr. Gwinn Henry, our athletic director, passed along your letter of February 28 to my desk, but due to extreme pressure in promoting the N.C.A.A. district, western and final championship basketball play-off, I find that I have failed to answer it.

I am very sure that we will not be in a position to play you this year, but I thank you very much for your kind inquiry.

With best wishes for a very successful season, I am

## Iowa Wesleyan College Basketball Team

Wesleyan is a member of the Iowa Intercollegiate Conference. There are thirteen schools in the Conference. Wesleyan ranks fourth in the standings at the present time. She has defeated one of the teams tied for first place twice this season.

There are no seniors on the first squad of ten men.

The team is small and fast; they are clever ball handlers and good shots. They are very popular because of their fast clever play.
