Mr. Bruce Drake,
Basketball Coach,
University of Oklahoma,
Norman, Oklahoma.

Dear Bruce:

I notice that our game at Lawrence is scheduled for Saturday night, March 8th. Saturday night is not a good night for a game on account of the business firms, as well as the dances that are held then. Friday night is much better.

I wonder if you would be willing to play us on March 7th.

You will notice that we are playing at Norman on Wednesday, January 8th. Of course that takes us away from school one day, but we are glad to play that early in the week.

I will greatly appreciate it if you can change to March 7th. Will you advise me at your earliest convenience?

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
