

January 10, 1941

Mr. Eddie Hogue
Federal Reserve Bank of Kansas City
Kansas City, Missouri

Dear Eddie:

We will expect you on January 13 at Lawrence to work our Iowa State-Kansas game. The game starts at 7:30.

You will dress in Robinson Gymnasium. The game is played in Hoch Auditorium which is just two buildings west of the Gymnasium.

I am not sure whether you have worked any of our games here at Lawrence, but we have three doors in Robinson Gymnasium, and you come on in the west door. Toward the back part of the hall you will see a sign "Intramural Office". You will dress in there where we have showers and other facilities.

It will not be necessary for you to call when you get in Lawrence because doubtless we will be in the Gym dressing at that time.

Thanking you for your letter, I am,

Very cordially yours,

Director of Physical Education and Redrecreation
Varsity Basketball Coach
