Dear Eddie:

Your letter of January 21 advising us that you will be able to work the Oklahoma-Kansas game in Lawrence on March 7 has been received. We will be glad to see you.

May I take this opportunity to tell you that you worked a fine game here in Lawrence when we played Iowa State. There were many compliments on your and Moe Pressley's excellent officiating; especially in calling all fouls. So many officials in our Big-Six Conference the last few years have been letting everything go and calling only occasional fouls. I never speak to officials before or after a contest; hence, I have not had an opportunity to tell you this before now.

We will be looking forward to seeing you on March 7; incidentally, you will work with Ted O'Sullivan.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
